

Declaration of Revocation of Interconnect Exchange Licenses

The Nigerian Communications Commission in furtherance to powers conferred under the Nigerian Communications Act, 2003 has determined that (2) of its Interconnect Exchange Licensees, Integrated Wireless Technologies Nigeria Limited and Telexchange Services Limited have failed and/or refused to commence operations in contravention of the provision of the Nigerian Communications Act 2003 (the Act) and conditions attached to their license.

Now in exercise of its powers pursuant to Section 45 of the Nigerian Communications Act, the Nigerian Communications (Enforcement Process, etc.) Regulations 2005 and other powers enabling it in that behalf, the Commission hereby informs the general public and all stakeholders in the telecommunications industry that it has revoked the Interconnect Exchange Licenses awarded to the underlisted licensees with effect from January 7th, 2010.
